This Year's Theme:

"A significant Person, Place, or Building in Boorowa's history"

- This theme can take the form of just one story or multiple. Varying groups/levels in your school may use any medium to tell this story. It can feature one or more of our First Nation people and significant places in this area, or a person or place from more recent times in local history.

The colour theme for 2024 is RED, so you may like to incorporate this.

Displays can be set up any time after 10 am Monday 26th February to Thursday 29th February.

A key to the pavilion will be needed, so please contact the Show Office (located in the Old Courthouse Building, next to the Police Station) on 0427 070 341, between 10 am and 5 pm.
